BASEBALL GAME BETWEEN WAR-
RENTON AND SKAMOKAWA
WAS VICTORY FOR FORMER
—LATEST SOCIAL HAPPENINGS

WARRENTON, Or., May 12.—Sev-
eral Warrentonians went to Hammond
last Saturday evening and participated
in the dance given by the Knights and
Ladies of Security Lodge of that town.

The young folks of Warrenton spent
an enjoyable evening on Saturday last.
The occasion was the celebration of
Miss Orvis Moore's birthday and the
party was held in the ball which until
recently was used as a public reading
room. Many unique games were in-
troduced during the evening, all of
which appeared to afford excellent
amusement for the merry gathering.
Messrs. Anderson and Brownrigg
supplied the musical part of the pro-
gram. After three hours of contin-
uous pleasure, the guests partook of a
very nice supper, returning to their
homes later delighted over the jolly
time they had had.

A fair attendance was present at
the reopening of the Methodist Epis-
copal church on Sunday afternoon.

On Sunday evening at Warren's
Hall, the Rev. Howard spoke freely on
the divorce question, judging from his
comments women are chiefly to blame
for blighted homes. Perhaps next
Sunday he will tell us where the men
come in, for the prevalent impression
is that they are the worse offenders.

John Arnold hopes, with the assist-
ance of his colleagues, to make the
Sunday school at Morrison a thorough
success.

Mrs. Eva A. Denvir has been visit-
ing friends on the other side of
Young's Bay.

The steam schooner South Bay has
put in at Flavel dock. She will be
loaded with lumber from the Old Ore-
gon mills here.

Only a few supporters journeyed
with the local nine to Skamokawa
yesterday but this did not cause the
players any anxiety for the club were
going to play baseball with their
whole interest in the game and there-
fore needed no special encouragement
from the onlookers. On arriving at
Skamokawa it was discovered that
the club there had made no arrange-
ments for the coming of the visitors,
despite the fact that the game was
scheduled for that date through the
lower Columbia league. After some
delay dinner was obtained at a hotel.
This over with Manager Halferty of
the Warrenton baseball club set out
to ascertain what time the game
should commence, when to his sur-
prise he was informed that the game
would have to be postponed. After a
few inquiries it was learned that the
members of the home club were suf-
fering from a complaint commonly
known as "cold feet." Seeing this, it
was decided to return to the Oregon
side but at this juncture the poor
Washington fellows of that district
thought it best to show a game heart
so the fixture was entered upon. War-
renton was first to bat and Phileff,
who opened the batting, finally secured
run number one, and with this single
the innings closed. Skamokawa failed
to hit one ball delivered by Pitcher
Moore in their innings. In the second
inning Dawson, McDermot, Moore and
Duff each added a run to Warrenton's
score, both Dawson and Moore making
a double-bagger. Skamokawa failed
again to obtain a run. The third in-
nings neither side scored. On the
fourth attempt Warrenton added five
runs, through McDermot, who made a
two-base hit; Moore, Dawson also
made a two-base hit, and Carlson.
Skamokawa were unable to score.
Southard, Burton and McDermot each
added a run to the visitor's in the
fifth innings, whilst the home team
still endeavored to find the way around
the bases. Neither side gained an ad-
vantage in the sixth. During the
seventh Duff, Dawson and McDermot
got home for Warrenton. Skamokawa
then went to the bat and for the first
and only time a member of their team
managed to hit a ball out to the
fielders, this was no unexpected that
the rightfielder was not on the alert
and as a result Chambers was enabled
to get home from second base and the
batter made a double bagger. No fur-
ther scores were made by either side.
Final score—Warrenton, 18; Skamo-
kawa, 1. This is the fourth game play-
ed by our boys this season and in each

they have proved victorious by a mag-
nificent majority.

The case of the State vs. E. F. Hen-
shaw, on a charge of larceny from A. T.
Pierce, of Warrenton, was heard be-
fore Justice Goodman today. In the
trial it was brought to light that
Pierce had been drinking the night
when he alleges he was robbed of
\$175. He went into the barber shop
run by Henshaw and ate a light lunch
there. Then he sat around for some
time, after which he went into Hen-
shaw's bedroom in the rear of the shop
and laid down where he went to
sleep. Henshaw came in when he had
closed his shop for the night, and tak-
ing a pillow and some bed clothes, laid
down on the floor and went to sleep.
Pierce states that when he awoke in
the morning \$175 that he had the night
before was gone and he accordingly
had Henshaw arrested. Justice Good-
man took the case under advisement
and Henshaw is out on \$175 bail. F.
D. Winton acted as attorney for the
defendant while Deputy District At-
torney McCue represented the state.

Wonderful Eczema Cure.

"Our little boy had eczema for five
years," writes N. A. Adams, Henrietta,
Pa. "Two of our home doctors said
the case was hopeless, his lungs being
affected. We then employed other doc-

chance we read about Electric Bitters;
bought a bottle and soon noticed im-
provement. We continued this medi-
cine until several bottles were used,
when our boy was completely cured." Best of all blood medicines and body
